ALEXANDRIA, VA. WEDNESDAY EVENING, MAY 24, 1905.

PRICE 2 CENTS.

BAD STOMACH MAKES BAD BLOOD.

You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whiskey or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the stomach, liver and bowels.

"About a year ago I was ill with blood poisoning," writes Miss Evelyn Lewis, of 30 Water Street, Buffalo, N. Y. "I had what seemed to be a small cold sore on my lip. It became very angry in appearance and began to spread until it nearly covered my face. I was a frightful sight and could not go outside the house because of my appearance. I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery. I was greatly benefited with the first bottle and after taking the second bottle was completely cured. The erysipelas eruption disappeared and my complexion is clear and fresh and I have felt better this year than I did for some time before. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. It's an insult to your intelligence for a dealer to try by over-persuasion to palm off upon you in its stead some inferior article with no record to back it up. You know what you want; it is his business to meet that want.

\$50,000 GIVEN AWAY. In copies of The People's Common Sense Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at \$1.50 per copy. Last year we gave away \$50,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Constitution although a little ill, begins to get better. Dr. Pierce's Pellets cures constipation.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that is "in style," but the modern hat for men has lots of "answers" for it. Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatic.

Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 1 1/2 lbs. as much as 50c. bottle. Prepared at the Laboratory of E. C. Dewitt & Co., Chicago, U.S.A.

Raiding Illicit Distillery.

Capt. Charles Gee, deputy collector of internal revenue, returned to Ronook yesterday from the most successful raid on illicit distillery plants ever made in the moonshine districts of Virginia. He, with his assistants, succeeded in cutting up six distilleries, destroying many thousands of gallons of mash beer, and confiscating several hundred gallons of whisky. Four moonshiners were arrested and several made their escape.

The raid was on Runnett Bay and Shooting Creek, in Franklin county. The capture of William Nowlin and the destruction of his still, in particular, is gratifying to the officers. It was in connection with this plant that Jeff Nowlin and his little daughter were shot to death from ambush while riding horseback through the mountains about eighteen months ago. A short time prior to this five raiding revenue officers had their horses shot from under them. The still was one of large capacity, and had been in the possession of the Nowlin family over half a century. It was of English make with the old goose-neck stem.

Nowlin was captured along with a county officer who was at the distillery when the officers swooped down on them, and they were taken prisoners without a struggle. Nowlin was taken before Commissioner Enlish and confessed. He was held under heavy bond for the United States Court at Danville. The other three men captured were Joel Akers, Lewis Hawley, and Amos Dillon.

Disappearance of Former Mayor.

Robert C. Davidson, former mayor of Baltimore, and until several months ago president of the Baltimore Trust and Guarantee Company, one of the wealthiest corporations in Maryland, has left the city. Simultaneous with his disappearance, Miss Louise B. Noyes, a young woman of about thirty years, a Johns Hopkins nurse, disappeared. This was not thought to be a coincidence, and the family do not so regard it.

Miss Noyes' family came Lyme, Conn., originally, but have been living in Port Deposit for many years. Mr. Davidson met her several years ago at Nantucket. They became very close friends, and when Miss Noyes returned to her home in Port Deposit, Md., Mr. Davidson became her devoted admirer. He made frequent trips to Port Deposit, and his wife says on his return his manner to her was cold and indifferent.

Recently the Noyes family sold out their home in Port Deposit, and it was stated that they had gone back to Connecticut. Some months ago, however, Miss Noyes took apartments at the Stafford and was frequently seen driving about the city in a smart drag, often with Mr. Davidson at her side.

Mrs. Davidson says that, before leaving, her husband had sold all his property and securities, netting him about \$175,000 in cash, and she believes he has taken all with him. Before leaving he paid all his debts and her own, and she does not believe he intends to come back.

Presidential Specials.

General Passenger Agent Lynch, of the "Big Four" Road, threw some new light, in Chicago, on the question why railroads run a president's train. "The popular idea is," said he, "that the railroad desires to cater to the federal administration. As a matter of fact, the real reason is a business one. The railroads do not carry the President of the United States to a special train over the country for fun, for glory or for advertising purposes, because the Chief Executive may not be carried on a regular train, as it would handicap the general operation of the road and work a hardship on the traveling public. "No regular train could possibly adhere to its schedule were the President on board. The fact that he was a passenger could not be kept secret, and at every station and crossroads there would be a crowd demanding to see and hear him make a speech. There would be a delay of 10 or 15 minutes at every station, and every other passenger on the train would be greatly inconvenienced—prevented from keeping business engagements at their destination, reaching the bedside of sick relatives or friends and being unable to fill appointments requiring them to be at a certain place at a certain time. The President's special train inconveniences no one, and the roads would rather go to the expense of running a special train free than subject the traveling public to the annoyances unavoidable if the President were carried on a regular train."

Wedding Customs.

One of the most interesting of the ceremonies at the wedding of the Crown Prince of Germany and the Grand Duchess Cecilia of Mecklenburg-Schwerin will be the distribution on the wedding day of the princess's garter. It is a quaint survival of olden times, when the ministers and ladies of the royal household enjoyed the privilege of escorting the couple to the bridal chamber. Now, this ceremony takes the form of a torchlight procession around the ballroom to the door where the pair make their exit. This procession will be headed by Chancellor von Buelow, and

Perfect Sleep

Points to the Cause

How many women are troubled with insomnia! How few, alas, habitually sleep the night through and rise refreshed.

If you can't sleep it is because your nerves will not let your body rest. Women's nervous troubles come from female diseases. Their delicate organism is a network of intricate nerves. No woman can suffer from female irregularities without eventually ruining her nervous system. Get rid of female disease and the perfect sleep of childhood will return.

Lydia E. Pinkham's Vegetable Compound

cures all female troubles and restores nerve equilibrium and brings sound, restful, healthful, natural sleep. Thus does this wonderful remedy operate to bring health to suffering women.

Wakefulness and Nervousness Cured

Dear Mrs. Pinkham:—Last spring, I lost my appetite, had headaches, and bearing down pains with cramps so that I was in perfect misery. I became wakeful and extremely nervous.

I decided to try Lydia E. Pinkham's Vegetable Compound, and am pleased to state that I derived immediate benefit and soon enjoyed permanent relief.

Within eight weeks I was restored to normal health and felt refreshed and strengthened as though I had enjoyed a lengthy vacation.

Since that time I have recommended your Compound to a number of my lady friends suffering with female irregularities, and those who have used it report great benefit from its use.

965 College Ave., Appleton, Wis. MRS. E. E. VAN DINTER.

Vice-President Social Economic Club.

Lydia E. Pinkham's Vegetable Compound has cured more women of female diseases than any other medicine in the world. Mrs. Pinkham advises sick women free. She will write you a personal letter if you tell her about your case.

at the door strips of the same silk as the bride's garter, specially embroidered with the date of the wedding, will be distributed among the guests, to be treasured as mementoes.

Man's Reasonableness is often as great as women's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five [5] physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured and can now perform all her household duties." Guaranteed by E. S. Leadbeater & Sons, druggists, price 50c.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Gibson & Timberman and W. F. Creighton & Co.

There Is a Difference.

The difference between Kennedy's Laxative Honey and Tar and all other Cough Syrup is that it moves the bowels, thus expelling a cold from the system. This relaxes the nervous system and by its healing effect on the throat and lungs the cough is relieved—cured entirely. Kennedy's is the original Laxative Honey and Tar and contains no opiates. Good alike for young or old. Tastes good. Sold by W. F. Creighton, 401 King Street, and corner Queen and Patrick Street.
